

BEHAVIOUR POLICY

INTRODUCTION

Newham Bridge aims to provide an attractive and secure environment with an atmosphere of positive esteem and care in which all our pupils are enabled to feel happy, safe and secure. We want each child to achieve the highest possible standards of behaviour and to know how to behave well towards each other and all adults.

We are committed to teaching appropriate and relevant social skills and behaviour patterns to all children as their entitlement and their right. In doing this we will be offering our children the chance to fully participate in the life of our school and our community by empowering them to take charge of their lives.

ROLE OF PARENTS

Parents have an important role in supporting staff. Most parents are willing and anxious to give this support but are not always sure how they can do this effectively. It is always helpful when parents: -

- Encourage children to respect school
- Ask questions about their work and behaviour
- Show interest in their child's progress
- Praise good reports and certificates sent home
- Support Class teacher
- Visit school not just when there is a problem
- To discuss with Class teacher or Head teacher any problems which could affect their child emotionally or academically within school.
- A Home/ School Contract will be in place

EXPECTATIONS FROM THE CHILDREN

Children should appreciate that there are certain codes of behaviour, which are acceptable and generate approval. This should include: -

- Learn what good behaviour means
- Learn to care for one another
- Learn to value friendship
- Develop self- confidence and raise self-esteem
- Speak to all teachers, adults and children with respect
- Understand other peoples points of view- settle problems by talking, involving adults when necessary
- Achieve as much as possible in all areas of their school work
- Take care of school and other people's property
- Move calmly and quietly around school
- Follow playground rules
- Treat others as you would be expected to be treated
- Make it easy for everyone to learn by listening carefully, following instructions responding appropriately, waiting your turn patiently. When the children are asked to 'Stop and listen please,' they must stop, have eyes on speaker, empty hands, body still, voice silent and listen until the message or lesson is over.

Acceptable behaviour and hard work should always be recognised and rewarded. Reminders should be given at regular intervals to motivate children towards a feeling of success. The following rewards are used at Newham Bridge School: -

Our commitment to equal opportunities with regards to behaviour reflects our school policy for Equal Opportunities.
