

## Y3 Autumn 2 Newsletter

November 2014

### Topics

Our Autumn topic this half term is called **MIGHTY METALS**. It is a science based topic which covers toys, forces and materials. We have started writing non-chronological reports, making moveable toys and exploring forces. We enjoyed experiencing this in our engaging visit to Saltersgill Park. We are looking forward to developing our understanding the scientific world of forces and magnetism.

### P.E.

Please ensure your child has his/her PE kit in school everyday. Lunchtime activities are Monday and Tuesday and P.E. will take place on Thursday and Friday. This term will focus upon fitness and High Five Netball.

### Homework

Thank you for supporting your child with their homework. We are really pleased with everyone's effort, especially the Middlesbrough project last half term!

Homework will continue to be sent home on Friday and needs to be returned on or before Thursday. Spellings will be given on a Friday and tested the following Friday.

Please could you ensure your child puts

KEEP  
CALM  
AND  
DO THAT  
HOMEWORK

### Y3 Reading

Just a reminder that your child's reading book and reading record needs to be in school every day. Please try to hear your child read at least **3** times a week and sign or write a comment in their reading records. For every week your child reads 3 times, they will receive a sticker for their sticker chart. Feel free to write us a note about what they are reading/ anything they struggle with or if they are doing really well!

### Year 3 Christmas Hamper

For the Christmas Fair, each class will be collecting a variety of gifts to make into a hamper. Each hamper will be raffled at the fair. This year we would like to fill the Year 3 hamper with all different kinds of **STATIONERY**. We would be grateful if you could contribute a small, new item of stationery such as pack of pens, pencils, notebook, rubbers, highlighters etc. Thank you!
