Spring Term 1

Our topic this half term is 'Superheroes!'

Topic Work

We are going to learn about fictional Superheroes, local heroes and heroes from the past.

We will learn about their jobs and special qualities and why they are important to us!

Numeracy

We will be continuing our number skills work such as doubling, adding and subtracting.

We will also learn about 2D and 3D shapes and their properties as well as making different totals using money.

Art/ D&T

We are going to be creating our own Superhero Capes!!

We will plan and design a cape and will then use our designs to make our very special cape.

Beware!!

There will be lots of Superheroes flying around shortly!!

Reminders:

PE- Please ensure children have a full PE kit in school- **black shorts, white polo shirt and black plimsols.**

Reading and homework- Please listen to your child read every night. Reading books must be returned daily.

We hope you are enjoying supporting your child with our new homework grids?

Literacy

During our Literacy lessons, we will be writing fact files, comic strips, descriptions and wanted posters about the heroes that we learn about.

Science

We will be learning about healthy lifestyles. We will investigate how easy germs can spread and the importance of food hygiene. We will also identify healthy and un-healthy foods and plan our own healthy meals.

We hope to have a Superhero event this half term in which parents are invited into school to take part in lots of Superhero activities.

Keep your eyes open for future letters with all of the information you require!
