Dear Parents and Carers,

ACTIVITIES THIS WEEK

It has been a lovely week in school with our children making the most of the good weather. We had an assembly at the beginning of the week about the importance of the sun for our bodies, particularly focusing on sun safety - recommending the use of sun cream, sunhats/caps and sunglasses. We also spoke about the importance of drinking water and staying hydrated during the hot weather. Our Year 6 children had their visit to Crucial Crew on Wednesday which provided messages about how to keep themselves safe in a range of situations. The children thoroughly enjoyed their visit. Thank you to the parents who attended the new starter meetings this weekit was lovely to welcome everyone into school.
