PE will take place every Monday and Wednesday. Children will be expected to come to school equipped on these days with the correct PE kit. White t-shirt, black shorts or jogging bottoms (if outdoors) and trainers or plimsols. Children may also bring a hoodie or jumper for outdoor sessions.

Welcome back to Year 4. This half term will be filled with magic and wonder! We will be exploring the wonderful world of Roald Dahl. Our topic Scrummdiddlyumptious will be based on the famous book Charlie and the Chocolate Factory where the children will be able to enter a world of pure imagination. They will also become chocolate designers as they create their own sweets, packaging, advert and slogan!

As you know, our topic this half term is Scrummdiddlyumptious! We are sure the children will produce some outstanding pieces of writing, art work and maybe even become mini Willy Wonkas! We would love to invite you to our Roald Dahl afternoon on Thursday 14th February at 3.00pm to see wonderful work, creative crafts and try some crazy cakes!

Never do things by halves. Go the whole hog. Make sure everything you do is so crazy it’s unbelievable.

Homework will continue to be given out weekly on a Thursday and will alternate between English and Maths. Please return your completed homework by Thursday ready to receive the next piece. Weekly spellings will be given out on a Monday and will be tested in class on a Friday. Please continue to support your child in their reading by listening to them at home. Thank you for your ongoing support Mrs Rooney and Mrs Hills.

Those who don’t believe in magic will never find it.
