AUTUMN TERM DIARY

Friday 23rd October: H TEMPEST: Individual school photographs

Friday 23rd October: School closes for Half term

Monday 2nd November: SCHOOL CLOSED: Professional Development Day

Tuesday 3rd November: School open – Autumn Term 2

Friday 18th December: End of term - school closes

Dear Parents and Carers,

We have had another busy week in school, thankfully without incident. Fortunately the measures we have put in place – additional hand washing, zoned working and social distancing, do appear to be supporting a smooth transition to the new norm. We genuinely appreciate your support in keeping our school community safe.

NURSERY

This week we have welcomed the first groups of Nursery children, who have settled well. We look forward to meeting more of our Nursery children next week.

AM SESSION START 8.30am – 11.15am FINISH. PM SESSION START 12.15pm – 3.00pm FINISH

(Though your child has a place in Newham Bridge Nursery, this unfortunately does not guarantee a place in our Reception class)

SCHOOL WEBSITE

Thanks to Mr Bowler, we are currently resolving our technical issues and are rebuilding our website. Our newsletter will be displayed on the website and will be sent every Friday via our Text2parents. Copies are also displayed around the school site.

CAWOOD DRIVE DROP OFF ZONE (KS2 only)

On Monday the Cawood drive gate opened for Key Stage 2 drop-off only. The additional entrance to school has worked well and has further minimised congestion at the front of the building. The gate opens at 8.40am for Years 3, 4, 5 and 6 and closes at 9am

SCHOOL DINNERS

Please could you notify our school office 01642 816884 if you intend to change your child's meal choice. Our school kitchen still requires at a least one week's notice if a child transfers between meal types - packed lunch to dinner or dinner to packed lunch.

SCHOOL PHOTOGRAPHS

We have received confirmation from 'H Tempest' that our school photographs can and will go ahead at the end of term on Friday 23rd October. However, there will be a difference, to ensure both pupil and staff safety. Unfortunately, due to the restrictions currently in place, the offer this year is for **individual photographs only**. No family group photographs can be taken as this would require school zones/ bubbles to cross.

PHOTOGRAPHIC PERMISSIONS

Please could you return your photographic permission slips to school as soon as possible.

SOCIAL DISTANCING AND ONE WAY SYSTEM

Our children have returned to school as the risk posed by children and amongst children is deemed to be low. The greater risk of Coronavirus exists between adults. Please respect the guidance around school highlighting the need for social distancing, as this is to keep our school community safe. Please respect others and follow the one-way system on the site to reduce risk.

A letter was sent to parents in Reception to Year 2 regarding our '**COLLECT & GO**' to reduce groups congregating around the KS1 park area at the end of the day. We appreciate your support!

ZONE/BUBBLE LOCKDOWN

If any staff, families/ children develop symptoms, depending on numbers, this may lead to school 'zone' closure. If we receive information/confirmation of a positive test result there will be a requirement for individuals, bubbles and zones to self-isolate.

If you do receive a positive test result – please contact the school as soon as possible. For out of school hours please ring 07835931915 **This number is to inform school of POSITIVE TEST RESULTS ONLY.**

It is highly unlikely that Newham Bridge will close completely as the government guidance suggests that where possible, schools are to remain open, closing only affected zones.

Should the local health board close our school, or part of our school, provision will be made for key worker/vulnerable pupils and education is to continue, with your support, using our home learning site.

HOME LEARNING

Our home learning site, homelearning@newhambridge.co.uk will be a vital resource - to be used in the event of a zone lockdown, should your child's zone/bubble have to close. The site will be the daily source of pupil's work for completion at home in their lockdown books.

The books were handed out to the children last week and are **ONLY TO BE USED IN THE EVENT OF A LOCKDOWN**.

CONTACT DETAILS

If you have changed your address or telephone number in recent weeks, please could you contact the school office 01642 816884 to ensure that school has the most up-to-date information – this is to ensure that you can be contacted in an emergency and also receive school notifications.

IMPORTANT INFORMATION

If you child or a member of your household display symptoms of coronavirus

- **A high temperature** – this means you feel hot to touch on your chest or back
- **A new, continuous cough** – coughing a lot for more than an hour, or three or more coughing episodes in 24 hours
- **A loss or change to your sense of smell or taste** – your child cannot smell/taste anything, or things smell /taste different

As Parents/ Carers you MUST to be ready and willing to:

- [book a test](#). Staff and pupils must not come into the school if they have symptoms, and must be sent home to self-isolate if they develop them in school. All children can be tested, including children under 5, but children aged 11 and under will need to be helped by their Parents/Carers if using a home testing kit
- provide details of anyone they have been in close contact with if they were to test positive for coronavirus (COVID-19) or if asked by NHS Test and Trace
- [self-isolate](#) if they have been in close contact with someone who develops coronavirus (COVID-19) symptoms or someone who tests positive for coronavirus (COVID-19)
- Anyone who displays symptoms of coronavirus (COVID-19) can and should get a test. Tests can be booked through the NHS [testing and tracing for coronavirus website](#), or ordered by telephone via NHS 119 for those without access to the internet. Essential workers, which includes anyone involved in education or childcare, have priority access to testing.

MIDDLESBROUGH LOCKDOWN

There are still serious concerns, at the moment, regarding the transmission of the virus particularly in Middlesbrough and our community beyond school. We request that our school community follow the 'HANDS, FACE (mask), SPACE' adhering to the Government guidance to socially distance, restrict gatherings to no more than 6 people and minimise the risk of exposure to the virus.

In doing this we will endeavour to keep ourselves and each other safe and assist the return to normality.

We will do everything possible and practicable in school to enable our children to be safe, enjoy their time in school, develop their skills and make progress to achieve their best!

We appreciate your support with this, as we continue with the next steps of this journey, moving forward.

Regards

B Hewitt-Best
