

Welcome to our world of pure imagination!

Date: Autumn term

Y3/4

Those who don't believe in magic will never find it.

Welcome to Year 3/4. This half term will be filled with magic and wonder! We will be exploring the wonderful world of Roald Dahl. Our topic Scrumdiddlyumptious will be based on the famous book Charlie and the Chocolate Factory where the children will be able to enter a world of pure imagination. They will also become chocolate designers as they create their own sweets, packaging, advert and slogan!

Homework

Homework will be given out this week. The children will bring home a book with their homework grid inside. They should try to complete a task per week. The children can return the books weekly for us to look at or at the end of this half term. There will be prizes for effort and presentation before the October half term. If you need any support with their homework or have any questions, please get in touch.

PE

PE will take place every Tuesday. Children will be expected to come to school in their PE kit on these days. White t shirt, black leggings or jogging bottoms and trainers or plimsols.

Spellings & website

New spellings will be set every Monday and will be tested every Friday. We will be uploading our spellings onto our remote learning site. We will show the children how to access this site and ensure they can use it effectively whilst at home.

Children may also wear a hoodie or jacket, in any colour, for outdoor sessions.

Never do things by halves. Go for the whole hog. Make sure everything you do is so crazy it's unbelievable

ROALD DAHL

Reading

Your child will have brought their new reading book home last week. We ask the children to read at least 3 times a week at home. Children need to bring their books and reading records into school each day as we will spend time reading in school. Guided reading will also continue in class each week.
