The devices, which have been returned and checked, are now available for loan until week beginning 07.06.21.

EASTER RAFFLE

EASTER RAFFLE

Thank you to our staff, who kindly donated 98 Easter eggs
 We raised a super £383.10. Congratulations to all of our winners.....Very well done!

PARENT CONSULTATIONS

Our Spring term online Parent Consultations took place on Tuesday and Wednesday this week. Our online trial had 38.6% uptake – which is a start. We appreciate there were a few issues beyond our control. Thankfully it was a trial, and we appreciated your patience and support.

PRE-LOVED UNIFORM

We hope the stock available in school will support our children/families, given that we are still in lockdown and access to shops is limited. The pre-loved stock will also reduce landfill. Thank you to those families who were able to donate pre-loved uniform.

NURSERY

We currently have a number of Nursery places available for September 2021. To place your child's name on our Nursery list, forms are available from the school office and we require sight of a birth certificate and proof of address. Middlesbrough Local Authority are responsible for all school Reception class admissions and unfortunately a Nursery place does not guarantee a child's place in our Reception class.

ZONE/BUBBLE LOCKDOWN

If any staff, families/ children develop symptoms, depending on numbers, this can/may lead to school 'zone' closure. If we receive confirmation of a positive test result, there may be a requirement for individuals, bubbles and zones to self-isolate. If you do receive a positive test result – please contact the school immediately. For out of school hours – please ring

07835931915 to inform school of POSITIVE TEST RESULTS ONLY.

We advise that you contact school immediately and request that parents refrain from posting test information publicly on social media.

Whilst it is highly unlikely that Newham Bridge will close completely. The new government guidance recommends that Schools where possible, are to remain open, closing only affected zones/bubbles and we do appreciate this can have a huge impact on families.

Should the local health board close our school, or part of our school, provision will be made, with your support, using our home learning site <http://bit.ly/nbremote>. The site will be the daily source of pupil's work for completion at home in their lockdown books. The books have been handed out – **THESE ARE ONLY TO BE USED IN THE EVENT OF A LOCKDOWN.**

IMPORTANT INFORMATION (COVID-19)

If your child or a member of your household display any symptoms of coronavirus

- **A high temperature** – this means you feel hot to touch on your chest or back
- **A new, continuous cough** – coughing a lot for more than an hour, or three or more coughing episodes in 24 hours
- **A loss or change to your sense of smell or taste** – your child cannot smell/taste anything, or things smell /taste different

As Parents/ Carers you MUST to be ready and willing to:

- **book a test.** Staff and pupils must not come into the school if they have symptoms, and must be sent home to self-isolate if they develop them in school. All children can be tested, including children under 5, but children aged 11 and under will need to be helped by their Parents/Carers if using a home testing kit
- provide details of anyone they have been in close contact with if they were to test positive for coronavirus (COVID-19) or if asked by NHS Test and Trace
- **self-isolate** if they have been in close contact with someone who develops coronavirus (COVID-19) symptoms or someone who tests positive for coronavirus (COVID-19)
- Anyone who displays symptoms of coronavirus (COVID-19) can and should get a test.
- Tests can be booked through the NHS with symptoms at www.nhs.uk/coronavirus or by calling 119. Essential workers, which includes anyone involved in education or childcare, have priority access to testing

Hope you have a lovely 'lockdown' Easter break!

Take care and stay safe ☺

Regards
