

BURPS, BOTTOMS & BILE

SUMMER
2021
YEAR 3/4

Open wide – let's take a look inside. We're on a voyage of discovery to investigate the busy world inside your body. Do you have a toothy grin or a winning smile? Take dental impressions and test the effects of sugary substances on your pearly whites. Follow a tasty morsel as it makes its way through your digestive system, helped by some mouthwatering saliva. And don't forget the importance of good hygiene at both ends. And whilst we're talking business, could you recognise an animal just by its poo? Are you brave enough to take the challenge? Make a working model of the digestive system and use it to persuade others to eat healthily. Learn how to look after this marvellous belching, squelching, mixture making machine we call our body.

Homework will continue in the same format as before Easter. Your child will receive a piece of English and a piece of Maths homework each week. Homework folders will be given out and work uploaded to the class page on a Thursday and will be due in the following Tuesday. Please encourage your child to complete their work independently. If they would like any support, we are happy to help them before their homework is due in. Please remember to read with your child at least 3 times a week to keep achieving the rainbow read stars. We had some super scores last term!

Spellings

Spellings will be uploaded to the class pages every Monday. Your child will know which class page to look at for their weekly spellings. Please practise them as often as you can. Even five minutes a day will make a huge difference. Spelling tests will take place on a Friday.

PE

PE for 2SB and 2ZHi will be on Monday for this week only. 2ZHi will have PE this Friday. Please remember to send your child in their PE kit on those days. School PE kit is plain black jogging bottoms or leggings, a plain white t-shirt and trainers. In colder months, please send a jumper or hoody with them, in any colour. New PE days will be shared on our class page this week.
