Dear Parents/Carers,

Welcome back everyone! Unfortunately, my last newsletter was short livedas we did receive a notification of a positive test on the Friday we broke up – so we didn't quite make it to half term 😞 Our sympathy and apologies to all the children, families and Staff in Zone 1 affected by the positive case / required self-isolation over the half term break. We hope everyone managed to make the best of their situation and were able to enjoy the good weather.

It has been lovely to see most of our children back in school this week, however we have had a number of contact trace families still requiring to isolate. Covid 19 is still around and we must all still be mindful and careful, to keep ourselves and others safe!

WEATHER: SUNSCREEN/HATS &CAPS

Please could you apply sunscreen before school and provide named sun hats/caps. We hope the lovely weather continues 😊

SCHOOL C19 GUIDANCE

Primary school guidance remains unchanged, though there have been additions about sports/trips and visits. The rules to enter site are still required and remain in place. Whilst it remains unlikely that the school would close in full. The DFE/Public health may close the school in part should there be a positive case or if there is a prevalence of a (VOC) variant of concern.

YEAR 4 MULTIPLICATION TABLE CHECK (MTC)

Our Year 4 pupils will be undertaking their multiplication table check (MTC) next week. The purpose of the check is to determine whether pupils can fluently recall their times tables up to 12, which is essential for future success in mathematics. It will also help school to identify pupils who may need additional support. Further information:

<https://www.gov.uk/government/publications/multiplication-tables-check-information-for-parents>

TERM TIME HOLIDAYS

School attendance continues to be mandatory for all pupils and the usual rules on school attendance apply. As restrictions begin to lift, some families may be looking to take holidays during term time. As usual, parents should plan their holidays around school breaks and avoid seeking permission to take their children out of school on holiday.

School holidays during term time will not be authorised.

AFTER SCHOOL CLUBS

Group 2 pupils start their 4 week Construction Club (Monday 14.06.21) and Garden club (Tuesday 15.06.21) next week.

In Key Stage 2 our Group 2 Y3/4 Basketball club and Y5 Sew a Teddy club have already started.

HOME LEARNING/HOMEWORK - DEVICES

Much of our homework has now transferred online. We do have a number of devices available for loan to support our pupils with accessing the home learning site/homework. If you would like to loan a school laptop/tablet – please contact the school office - to enable staff to prepare the device for collection.

ZONE/BUBBLE LOCKDOWN

If any staff, families/ children develop symptoms, depending on numbers, this can/may lead to school 'zone' closure. If we receive confirmation of a positive test result, there may be a requirement for individuals, bubbles and zones to self-isolate. If you do receive a positive test result – please contact the school immediately. For out of school hours – please ring

07835931915 to inform school of POSITIVE TEST RESULTS ONLY.

We advise that you contact school immediately and request that parents refrain from posting test information publicly on social media.

Should the local health board close our school, or part of our school, provision will be made, with your support, using our home learning site <http://bit.ly/nbremote>. The site will be the daily source of pupil's work for completion at home in their lockdown books. The books have been handed out – **THESE ARE ONLY TO BE USED IN THE EVENT OF A LOCKDOWN.**
