**C-19**

Again, ‘Thank you’ to those parents who have been vigilant, spotting symptoms early, self-isolating and testing. No one knows your child better than you and we request that you too remain vigilant and book a PCR test if you display any symptoms (further guidance below).

## **IMPORTANT INFORMATION**

If your child/member of your household display symptoms of coronavirus as Parents/Carers you MUST be ready and willing to:

- [book a test](#). Staff and pupils must not come into the school if they have symptoms, and must be sent home to self-isolate if they develop them in school. All children can be tested, including children under 5, but children aged 11 and under will need to be helped by their Parents/Carers if using a home testing kit
- Provide details of anyone they have been in close contact with if they were to test positive for coronavirus (COVID-19) or if asked by NHS Test and Trace
- LFT/PCR test if they have been in close contact with someone who develops coronavirus (COVID-19) symptoms or someone who tests positive for coronavirus (COVID-19)
- Anyone who displays symptoms of coronavirus (COVID-19) can and should get a test. Tests can be booked through the NHS [testing and tracing for coronavirus website](#), or ordered by telephone via NHS 119 for those without access to the internet. Essential workers, which includes anyone involved in education or childcare, have priority access to testing.

We appreciate your support with this, as we continue with our next steps.

We hope you have a great weekend!  
Remember to 'Beat the street!'

Regards
