Despite the challenges and the ever-changing guidance we have tried our very best to ensure your children are safe, cared for, they enjoy their learning and have the opportunity to develop their skills. We are so proud of their resilience and determination to try their best. We would like to take this opportunity to 'Thank you!' for your support over this last year and look forward to continuing our partnership, to support our very special young people in the New Year ahead.

CHRISTMAS LUNCH: We would like to express our huge 'Thanks' to Mrs Crooks and her fabulous team in the school kitchen. Our Christmas Lunch on Wednesday was delicious ……..festive, fun and we were all very full!

C-19 / Omicron

In the New Year we will continue to follow the recommended guidance: Staff will regularly test, and will wear masks in communal areas. Over the Christmas break we request that you remain vigilant, spotting symptoms early, self-isolating and testing. No one knows your child better than you. **Please book a PCR test if you recognise and identify any symptoms.**

IMPORTANT INFORMATION

If your child/member of your household display symptoms of coronavirus as Parents/Carers you MUST to be ready and willing to:

- book a PCR test. Staff and pupils must not come into the school if they have symptoms, and must be sent home to self-isolate if they develop them in school. All children can be tested, including children under 5, but children aged 11 and under will need to be helped by their Parents/Carers if using a home testing kit
- Provide details of anyone they have been in close contact with if they were to test positive for coronavirus (COVID-19) or if asked by NHS Test and Trace
- LFT/ PCR test if they have been in close contact with someone who develops coronavirus (COVID-19) symptoms or someone who tests positive for coronavirus (COVID-19)
- Anyone who displays symptoms of coronavirus (COVID-19) can and should get a test. Tests can be booked through the NHS testing and tracing for coronavirus website, or ordered by telephone via NHS 119 for those without access to the internet.
