17	The school is well led and managed.	58%	38%	-	-
18	The school Governing Body is effective	48%	41%	2%	-
19	I would recommend this school to another parent.	Yes	93%	No	1%
20	<p>Parking is an on-going issue at Newham Bridge. Please read your suggestions and make change happen! ☺</p> <ul style="list-style-type: none"> * The way some parents park near school. I feel could cause an accident. * Parents should not park on double yellows. * Walk more...use the Endeavour Car park * More emphasis on 20mph needed * A school staff member seems to deter parking * Parking on corners – makes visibility terrible * Perhaps walking could be incentivised by the council * Block road- during drop off/pickup times * Fines issued for irresponsible parking * For those walking, a lollipop lady would help. * Parking warden to stop street parking * People parking in staff car park for after school clubs * Send older children out via the back gate * Speed bumps, bollards and zebra crossings * Use the car park at the pub * Have a warden at the top of Cayton Drive. Give tickets out. * School has and does all it can * Parents being more mindful * Encourage walking * Incentives or rewards for children who walk. * Parking tickets and more patrols required * A lollipop lady would be helpful as the road is really busy. * Have more parking controls, staggered start and finish times * Allocated area(s) only to be used * Keep staggered ending/ exit times. Slots for collecting year groups. 				

- * Though I walk ...am aware of the problem – use neighbourhood enforcement
- * Parking has always been the same, it is up to parents to be responsible and safe.
- * Create bays or make the surrounding area a no stopping zone/ permit/residents only.
- * I feel drivers should park away from the school to prevent obstructions, which could cause an accident.
- * It is a parent problem.....driveways and double yellows do not deter....can cones be used to reduce awkward confrontation I drive and have had enough of those who are inconsiderate.
- * It is shocking the way people park on paths, corners and lines. Staff presence, or cones perhaps?

Feedback, concerns and comments received:

- * Many returns hadThank you!
 - * Thank you, my children feel happy and safe
 - * Thank you for all your hard work – keeping children safe and happy
 - * The Reception staff are excellent – I would recommend the school to others.
 - * My child enjoys school and is achieving in all subject areas - thanks for your hard work!
 - * Swearing in the playground –by 2-3 parents – happening very regularly ☹️
 - * Some children need extra help and support – as a parent, I am trying my best, but would appreciate a stronger input from school. My children transferred from another school. Academically there is room for improvement.....especially in Reading and phonics. Thank you for the opportunity to express my concerns.
 - * Letting children out at the end of the day – parents wait for the doors to open and if the child is last – it is a long time waiting.
 - * Parents too busy talking to monitor their children/issues before and after school.
 - * Many parents did not respond to 10.....no experience.
 - * Despite liking teachers, friends and the structure of school, my child dislikes school. After contacting the school, the response was apathetic. School reports could have been more in-depth. No feedback on 10 weeks homework fails to acknowledge success.
 - * Dogs near the school gate is an issue.... Not all children like dogs and make children feel uneasy as they approach the gates.
 - * We do not have access for the school learning site.
 - * Staff in Reception are amazing
 - * I feel the school has gone down. My child is below and I feel no help is given.
 - * Thank you to staff. Would be great to see a breakfast club.
 - * Breakfast club is missed. My children would prefer to go and helps with my own job.
 - * Concerned about smokers/ smoke on Cayton Drive. Could Cayton drive be a non-smoking zone?
 - * It would be great to see Breakfast clubs or after school clubs. This would help working parents massively.
 - * Not aware of Governing Body/ Don't know who school Governors are.
 - * The staff are lovely...my son is happy.....so far so good!
 - * I am happy. My child has flourished.....Thank teachers for this.
 - * Not had any issues with school, my child enjoys school and is making great progress
 - * I felt that the 5min parent consultation was too short – would prefer a meeting in person or longer virtual meeting.
 - * Parents evening was cancelled in Y5 due to staff illness but no communication made to rearrange.
 - * Lovely teachers, lovely Head. No issues at all. Thank you.
 - * People walking out of the same entrance, blocks the way in to school.
 - * Once, but only once, the newsletter instructions regarding PE kit did not match the class page.
- If more than one parent could download the gateway app, that would be helpful.
- * Teachers are amazing!
 - * My child receives extra support.....teachers are very friendly and we work together.
 - * Just that you all do an amazing job, my child is very happy at Newham Bridge.

SPRING TERM 1 2022 DIARY DATES

	Y4HH, Y4SB,	Monday	
	Y5CR, Y5DJ	Wednesday & Thursday	
Y6EH, Y6ZHo	Friday only		

Covid guidance

Temporary suspension of confirmatory PCR tests in education and childcare settings

Confirmatory PCR testing following a positive result on a lateral flow device (LFD) is now temporarily suspended. This means that for all education/childcare settings, staff/students who have tested and reported a positive lateral flow result will no longer be advised to get a confirmatory PCR test.

This change is informed by public health advice. With high COVID-19 rates, the risk of a positive LFD result being false is very small. We therefore don't need to ask people to do a confirmatory PCR unless they:

- have symptoms (in which case they need to follow the stay at home guidance, self-isolate and order a PCR test)
- wish to claim the Test and Trace Support Payment
- have been advised to take a PCR test because they are in a clinically vulnerable group
- have been advised to do so as part of a research or surveillance programme

If you or your child, has a positive LFD test you must self-isolate for 5 days and re-test on **day 5 and day 6**

Self-isolation can stop, when you/your child have 2 consecutive negative LFD results on **Day 5 and Day 6**.

Returning to school/work on day 6 – after the negative test results.

We hope this guidance helps - in reducing risk and keeping each other safe.

Have a lovely weekend!

Regards

B Hewitt-Best
