Dear Parents and Carers,

It has been a busy final week to the Spring Term. Thankfully this term we have been able to operate more fully, despite the challenges of the pandemic still being present. Unfortunately positive Covid numbers have been rising and it is still present in school. We hope the Easter break will serve as a 'circuit breaker' and reduce Covid in our school community. Prior to school reopening on Monday 25th April - Please be cautious, if your child should be unwell, particularly if they have symptoms.

NEW COVID GUIDANCE

The Government have now removed the legal requirement to self-isolate following a positive test. Adults and children who have symptoms; a high temperature, persistent cough or who test positive (LFT/PCR) will continue to **be advised** to stay at home and avoid contact with other people for at least 5 full days, and then continue to follow the guidance until they have received 2 negative test results on consecutive days.

PARENT CONSULTATIONS/PUPIL REPORTS

Thank you to those Parents and Carers who were able to attend the Parent consultations this week, whether virtually or face-to-face. We hope you found the Reports and meetings with Staff informative – particularly with next steps. We hope that you are able to continue to support school to ensure your child makes the best progress they can during the Summer term. Help and support with Reading, Spelling and Homework, as always, is very much appreciated!
