

Making an Amazon Shoebox Habitat

This term, our topic is about the 'Amazon Rainforest'. Mrs Hilton and Mrs Savage would like Year 3 to create a creative 'Amazon shoebox habitat' on an animal of their choice.

Habitat = A place where an animal lives - trees/ ground / river

You will need:

- *A Shoebox
- *Choose an animal for your habitat
- *Art and crafts equipment to create your Amazon forest
- *Paper to arrange facts about the rainforest and animal

We would like the children to create a shoebox but also provide information about their creature.

Information needed:

What is your creature?

What does it look like? What special features does it need?

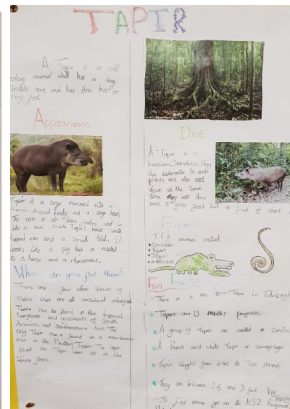

Where does it live?

What does it like to eat?

Interesting facts

Display the information in any way!

It would be great for the children to have the opportunity to share their amazing work to other classes.
