

OPEN AFTERNOON

# OUR SCHOOL WEBSITE

Please access the school website weekly: to ensure you are reading the newsletters and are aware what your child's class has been learning about each week.

Children's achievements are also published online via the school class page.

Weekly homework is posted on the website.

## HOMEWORK FOR OCTOBER

Homework Club is up and running every Tuesday till 4pm, we have had a great turn out so far and we look forward to continuing the success of these sessions with your child.

This week your child needs to complete **Set A, Test 4 in Maths** and **Set A, Test 4 in GPS** (both are 10 minute tests).

This week's spellings are uploaded on **EdShed** for your child to revisit in games, please follow the link below. The words are: **aggressive, bruise, convenience, embarrass, forty, interrupt, occupy, pronunciation, shoulder, thorough**

We really want to have the whole year group celebrating their homework achievement at the end of the academic year. Please support us and your child in achieving this great reward 🏆

*CLICK on the logos to take you directly to each site...*

Try to complete your 6 Reading Plus assignments each week – a certificate is awarded for completion!

Use TT Rock Stars to help revise for your weekly tables test. – a certificate is awarded for full marks!

Complete as many French sessions on Duolingo as you like.

You need to practice your weekly spellings on Ed Shed – please make sure your login works at home.

[View Previous Updates](#)

Links to the online learning platforms can be found on your child's homework page to help with transitioning to the correct website.

Homework required to be completed that week is published here, including spellings.

# WEBSITES WE USE IN SCHOOL

Times Table Rockstars - support with times table knowledge

EdShed - Spelling Shed - supports with spellings

Accelerated Reader - supports with reading skills

Reading Plus - supports with reading fluency and stamina

# TIMES TABLE ROCKSTARS

TTRS helps us with our times table recall.

Some of us know them really well but it's rapid recall that's also important. It is vital your child knows their multiplication and division facts for each set of times tables!

The more you play, the higher your level!

Times tables are extremely important and are part of and used in every maths lesson.

Please encourage your child to access this website at home.

# TTRS

Battles - in school

National competitions - 14th November - 16th November, England  
Rocks is launched, please encourage your child to participate 😊

Certificates every Friday during Times Tables Quiz

If you'd like more information, please visit the class page for the link to a video tutorial.

SPELLING SHED

As you know, spellings are given out every Monday and we have tests on a Friday.

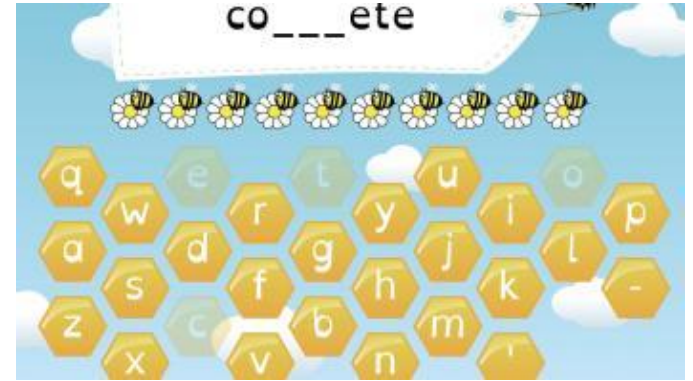

Your child can work on their spellings in other ways, but we have found spelling shed really supports their understanding and retention of different spellings.

Please spend time today trying the different games and activities with your child.

# SPELLING SHED

League - both national and in school

Certificates

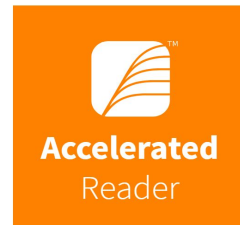

Different levels of difficulty - pick which one you are confident with

If you'd like more information, please take a handout from the dining hall on your way out.

# ACCELERATED READING

Some children have a reading book with a number on the spine.

This is their ZPD. Once they have read their book, either at home or in school, they are encouraged to quiz.

Quizzes are completed independently without the book to refer to.

It tests your child's understanding of and recall of the story or text.

Your child should be quizzing regularly and they are encouraged to write in their Reading Record or Homework Diary their results.

# MOVING ZPD

We monitor quiz scores each week and change ZPDs accordingly.

Rewards are given for children who score 90 or 100% on their quiz.

We also reward those children who read at least 3 times each week with an adult at home.

Whilst your child can't quiz at home, please ask them questions as they read.

If you'd like more information, please take a handout from the dining hall on your way out.

# READING PLUS – YEAR 6 ONLY

- Reading Plus is an online learning platform to increase your child's reading fluency, enjoyment for reading and enhance their vocabulary knowledge through reading comprehensions
- Reading Plus can be accessed at home using a computer. It cannot be accessed using a mobile phone.
- Children receive rewards for completing sessions with 80% or above
- Children will have 6 assignments each week to complete: reading, vocabulary or visual skills.

# READ TO SUCCEED

Please collect a booklet on your way out.

There's lots of information inside to support your child's reading at home.

Throughout the year, we'll also be holding reading events for you to come in and enjoy a story with your child. Please check the newsletters for dates.
