

Home Learning for Nursery

Goldilocks and the Three Bears

- Create a collage of Goldilocks and The Three Bears
- Goldilocks loved eating the porridge. Make your own porridge with your favourite toppings -Jam, fruit or honey.

Skills developed include:

- *Turn-taking
- *Art and Imagination
- *Talking and listening
- *Co-operation
- *Fine motor skills
- *Problem solving
- *Mark-making

This half term topic is about Traditional Tales - **Goldilocks and the Three Bears, Little Red Riding Hood** and **The Gingerbread man**. I have put together some ideas (pick some) and have a go. These are activities to provide opportunities for you and your child to enjoy fun activities together and allow your child to share their work in Nursery. Myself and Mrs Bell will look forward to seeing some fantastic work and add it to our Home Learning Gallery in the entrance (pictures or photos - Photographs can be emailed to school). Thank you for your support

Mrs Hilton and Mrs Bell

Little Red Riding Hood

- Make or decorate biscuits or a cake that you would add to a basket for your Grandma (Nana)
- Have a walk in the woods with an adult, listen to the sounds. What did you hear? Draw a picture walking in the woods.

- Draw a picture or make a model of the Gingerbread man - We would love to see how you made it!
- Swimming Gingerbread - Gently drop your gingerbread in some water and observe - Does it float or sink? Observe and discuss the changes.

Challenge:

Try and put your coat on and zip it up by yourself.

- What is your favourite Traditional Tale - Share the story, make story actions or Draw a picture of your story? Who was your favourite character?
