

Home Learning for Nursery Spring Term 1

Mixed

- Experiment with colour at home with painting or food colouring.
- The mixed story is about colourful characters and how they are different. Create your family using fingerprints and add faces. What emotion can each one show?

Skills developed include:

- *Turn-taking
- *Art and Imagination
- *Talking and listening
- *Co-operation
- *Fine motor skills
- *Problem solving
- *Mark-making

This half term topic is about Emotions and understanding that we are all different and unique. We will be looking at books; **Simon Sock**, **The Rainbow fish**, **Mixed** and **Elmer**. We will also be learning about colour, color mixing and Chinese New Year. We have put together some ideas and these activities provide opportunities for you and your child to enjoy together and allow your child to share their work in Nursery. Myself and Mrs Bell will look forward to seeing some fantastic work and add it to our Home Learning Gallery in the entrance (pictures or photos - Photographs can be emailed to school). Thank you for your support
Mrs Hilton and Mrs Bell

Elmer

- Elmer is unique and special. Can you share something that you can do that makes you unique or special?
- Elmer is a colourful elephant. Can you create another colourful animal, making a friend for Elmer? What pattern will they have?

- With the Chinese New Year celebrations, create a firework picture using crayons, chalk, paint, experimenting with colour.

Rainbow Fish

- Using a paper plate or other resources, can you create your own rainbow fish?

Challenge:

Continue putting on your coat on and zipping it up.
Put your socks and shoes on.
