

Home Learning for Nursery Spring Term 2

Jack and the Beanstalk

- Relating to the 'Magic Beans' growing a Beanstalk, why don't you plant some seeds and grow a plant or a tall sunflower. Take a picture of your plant growing.

Skills developed include:

- *Turn-taking
- *Art and Imagination
- *Talking and listening
- *Co-operation
- *Fine motor skills
- *Problem solving
- *Mark-making

This half term topic is about Spring is Here! We will be looking at topics: Jack and the Beanstalk, Spring, World Book Day and Easter. We have put together some ideas and these activities provide opportunities for you and your child to enjoy together and allow your child to share their work in Nursery. Myself and Mrs Bell will look forward to seeing some fantastic work and add it to our Home Learning Gallery in the entrance (pictures or photos - Photographs can be emailed to school). Thank you for your support Mrs Hilton and Mrs Bell

Spring

- With an adult, go for a walk in the park, countryside or just in your local street. Look for signs of spring. What did you see or hear? Take photos and send them in for the gallery.
- Draw, paint or create a collage of a flower. Bring the artwork into Nursery to add to the gallery.

Easter

- We celebrate Easter by eating hot cross buns or chocolate treats. Enjoy with your family making some treats and taking a photo of what you have made.

- Remember by the **7th March**, 'Decorate a potato', decorate a potato of your favourite book character.

Challenge:

Continue putting on your coat and zipping up.
Put your socks and shoes on.
