Water bottles

- From next year, we'll be asking children to bring their own plastic water bottle to school.
- These should be no bigger than 500ml.
- They will be taken home each night and brought to school each day.
- Children can access them in the classroom at any point in the day.

Reading

Reading is an integral part of each lesson.

In Y6, your child will access Reading plus each day, along with guided reading session twice a week, which will focus on a range of skills.

We will also have time to read independently and quiz using accelerated reading and each class will share some fantastic class reads throughout the year.

Please encourage your child to continue reading at home at least 3 times each week.

Walking Home Letters

Dear Parents/Carers,

Now your child is in year 6 they are able to walk to and from school independently. If you would like your child to develop this skill of responsibility please complete the slip below. Your child must arrive to school on time and act as a respectful member of the community.

Should you wish your child to develop these skills, they are able to arrive at school with a mobile phone to contact you for safety. We ask that once the children are on the playground they turn their phones off and hand them over to the class teacher until the end of the school day. Their phone is able to be turned on once they leave the playground.

Yours sincerely,

Mrs Tweddle and Mr Jackson

- There are 3 adults at homework club, computers and classroom resources.
- If your child completes all their homework during the academic year, they have the opportunity for a fully-funded trip. Last year, year 6 children went to Laser Tag and had great fun!

- This will contain daily reading
– Reading Plus Assignments
and Accelerated Reader
- Weekly Homework will be written in here and it can be found in the school website

- Your support at home is greatly appreciated.
- You can support in a number of ways:
- Getting your child to school on time
- Reading with them
- Ensuring their homework is completed on time
