## Summer Reading Challenge

The Summer Reading Challenge encourages children to keep reading during the school summer holidays - and to enjoy reading anything they like! Children aged 4-11 are invited to set a reading goal and collect rewards for their reading. It's completely **FREE** to take part.

### How can my child take part?

**In the library.** Visit your local library and sign up. Your child will:

Set a reading goal for the summer and borrow and read any books, eBooks and audiobooks. Receive a Challenge poster and collect special stickers and rewards for reading.

**Online.** Take part online at [summerreadingchallenge.org.uk](https://summerreadingchallenge.org.uk)

Sign up on the [official Challenge website](https://summerreadingchallenge.org.uk). Set a reading goal and get book recommendations and tips. Unlock digital badges and online rewards, including a printable certificate.

## Accelerated Reader

Our children from Y2—Y6 access accelerated reader. They enjoy reading their school reading book, then take a quiz to check their understanding of the text. It also logs how many words the children have read throughout the year.

A huge well done to Alex from Y4 who has topped the leader board with a whopping 807,698 words!
