

READING ROUND UP!

NEWHAM BRIDGE READING NEWS

Spring Term 1

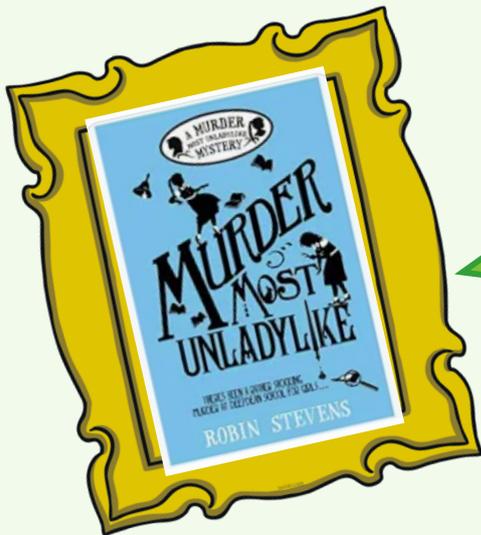

16th February 2026

What's New?

What a wonderful start to the new year! This half term has been very busy with lots of reading events.. Nursery and Reception welcomed parents to their Come and Read sessions. Thank you to all who attended. Year 2 and Year 3 held their first event as part of the Young Readers Program "A book bistro!"

A big thank you!

A huge thank you to parents and carers for all your support encouraging reading at home!

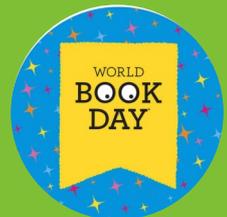

Librarian Recommendation

I would recommend the series A Murder Most Unladylike. I really like mysterious stories and trying to solve the clues. I love the characters and getting to know all about them as the story develops.

Coming up...

We have decided to celebrate the year of reading and a symphony of stories by holding a World Book Week, starting on Monday 2nd March. This year the theme is fantastic fairytales!
